Friday, Dec. 18: Last day of semester 1 classes- holiday crafts and fun included!

Classes offered fall session:

-Kindergarten: Self-contained class/teacher with Clare Foster and visits from the other enrichment instructors (see below)

-Improv (K-6) with Kidscape Productions

-Stop Animation Film/Claymation/Art (3-6) with Bethany Lund

-PE (varied classes- K-6) (PE, mountain biking, yoga sessions)

-Art and Ceramics (K-6) with Alissa Morganti and Sally Osborne

-Lego Engineering/Robotics League (K-6) with Heather Maloy (special,
optional Lego First Robotics Club meetings will involve an extra day for
4th-6th graders)

-Chess (3-6) with Jose Vasquez

-Outdoor education/Native American studies (K-6) with Eli Miller

**Lego Robotics Club: Join the First Lego and Jr. First Lego League this fall! Kids learn about engineering, solving real world problems, team work, programming, presentation skills. 3rd grade teams, and mixed grade 4th-6th teams. A parent volunteer will be needed for each team for help with things like making t-shirts and hosting any extra meetings, helping, Heather Maloy head coach. Some travel to competition(s), and 4th-6th has an extra meeting day on Wed afterschool (if this day works best for most participants), as well as Friday classes. Sept. 11-1st day classes- students decide if they want to join club. More info: usfirst.org
