

# ENRICHMENT

Fridays | 9am - 2pm | Grades TK-5

## Truckee-Donner Recreation Center

We are so lucky and grateful to be able to use this facility to host our Enrichment program. It will provide many new opportunities for our kids. It is our goal to be the best possible ambassadors of Creekside when we are there. We want the community to see how awesome our kids are. Please remind your kids that we are guest there and being respectful is key!
